

# February

## Toddler Room

Miss Julie, Miss Tammy, and Miss Kimberly

### Theme

We have two themes this month. We will finish our unit on shapes and we will learn about the holiday of Valentine's Day. We will learn about stars, diamonds, and hearts. We will complete our shape book and bring it home to share with our family. We will also make some adorable creatures out of hearts as decorations for Valentine's Day. We will even have a special snack to celebrate the holiday!!

The Friday class playing in the home center!

**Activities:** We will create love bugs to decorate our door. We will finger paint, marble paint, and use lots of glitter to create special Valentine projects for our family. We will create an owl and bumblebee using different sizes of hearts. We will create a hot air balloon and decorate it with sparkling stars. We will use tire tracks to decorate a diamond shaped kite, paint a crescent moon with stars, and stamp a diamond with a variety of colors!

### Reminders

1. **School Closed** –Friday, 2/15/19 & Monday, 2/18/19 for President's Day!

### Birthdays

No Birthdays  
this Month!
