We're Working On....

Language Arts- Recognizing, writing, and identifying sounds for letters Yy, Rr, Uu (Review Dd & Ss). Reading *What Pet Should I Get* & *Eating the Rainbow* and other stories related to our themes.

Math- Focusing on further development of counting skills by skip counting (by 5s & 10s) and exploring the concepts of greater than, less than, more, and fewer.

Science- Discussing types of pets and their care. Identifying the colors of the rainbow and how rainbows are formed. Learning about the weather.

Art- Creating rainbows with multiple mediums including paint, crayons, colored pencils, and more! Making crafts related to our themes.

At Home

Please continue to work a few minutes (5-10 minutes, 2-3 times a day) to practice name writing, letter sounds, and the concepts of more and fewer.

Note

As the weather tries to decide whether it would like to be warm or cool please dress children in layers. Also, make note of the days temperature so they are prepared if we take them outside.
