

## Miss Susan & Miss Lisa's Fours

### Themes:

Fall, Leaves, Pumpkin,  
Nocturnal Animals, Halloween

### Important Dates:

October 11:  
School Closed

**\*\*\*Please note: BASD will  
be open this day\*\*\***

October 29:  
Halloween Celebration

### We are working on:

**Language Arts:** We will be working on recognizing and forming the letters L, N, B & P. We will listen to stories based on our themes. (i.e *Goodbye Summer Hello Autumn, Leaf Man, Bats in the Library, Spookley the Square Pumpkin.*)

**Math:** We are focusing on the number one. Our shape is square and our color is orange. We will be counting to 31 as we follow the calendar stopping on the tens.

**Science:** We will study how the leaves turn colors and explore why. We will be learning about nocturnal animals. We will be exploring pumpkins and how they grow.

We are working on building confidence and independence. Please allow your child to do as much as they can on their own. A little struggle is okay. We don't want frustration. Try to guide first before jumping in and doing the task for them.

**At Home:**  
Learning can be a fun part of everyday activities! Please work with your child at home to practice name writing and counting everyday objects.

**\*\*Please make sure you are receiving our emails. If you have not received any emails from us please check your spam folders.\*\***
