

Wesley Toddler Newsletter

October 2021

Miss Julie and Miss Cecily

Important Dates

September birthday: Colton

October 29: Halloween Trunk or Treat and Parade. Details to come.

September

The month of September was all about acclimating your child to a school environment. Gym has been a favorite class rotation and gives them a chance to stretch their little legs. Our classroom theme is Noah's Ark and we have painted animals two by two for our classroom walls. We are using this craft to talk about animals, colors, shapes, and counting all while working on fine motor skills. Handprint leaves are now hanging on our class door.

September's songs were: "The Itsy-Bitsy Spider" and "Old MacDonald Had a Farm."

October

In October we'll continue to see progress as your child becomes more comfortable with their teachers as well as classmates. We will work more on cooperative play, as most of the children are now comfortable with individual play in the classroom and gym. This will involve playing together with other children and learning to share. As we move into the spooky season we will work on more arts and crafts, creating pumpkins to decorate the door and handprint ghosts to hang from the classroom ceiling.

October's songs will be "Five Little Pumpkins" and "If You're Happy and You Know It."

Classroom Needs

- AA and AAA batteries
- Tissues
- Baby wipes for the classroom
- Clorox/Lysol wipes
- Paper towels

Inside the Toddler One Room

Thank you for trusting us with your precious children.
