### IMPORTANT REMINDERS:

- As the weather turns cooler, please bring a warm change of clothes for your child (e.g. sweatpants). We will send home set that we currently have.
- If you see either teacher wearing a mask, it is not because we are sick (we will stay home when ill). Cold, flu, and Covid season is upon us and from time to time we may opt to wear a mask to ensure the safety of our class and families.

### LESSONS

- We will work more on cooperative play, as most of the children are now comfortable with individual play in the classroom and gym.
- As we move into the spooky season we will work on more arts and crafts, creating pumpkins and spiders to decorate the door and handprint bats to hang from the classroom ceiling.
