SPOTLIGHT

By now your child has adjusted to the classroom. We see them play happily upon entering the room and begin the early steps toward cooperative play with classmates (though most are still at the parallel play stage). October brought a lot of excitement to our school starting with a visit from the Bethlehem Mounted Police. Fire Safety Week went off without a hitch as the kids practiced fire drills and admired the fire trucks. Arts and craft time really picked up, with the class creating handprint bats and spiders, puffy paint ghosts, and scarecrows.

LESSONS

- For the month of November we are talking about woodland creatures. We are looking for squirrels, chipmunks, deer, and the occasional fox spotted on our school grounds. We will be creating crafts reflecting on these creatures.
- To prepare for Thanksgiving, we are working on "please" and "thank you" at the snack/lunch table.
