Thank you for all of our wonderful gifts and cards for Christmas! You made our holiday very special.

We are so proud of each kiddo who participated and sang so wonderfully at the Christmas Celebration!

We hope you enjoyed the break and pray you had time with friends and family to celebrate Jesus' birthday and the wonders of the season.

Please be sure to dress your child in layers. We will continue to go outside if the real feel is above 40 degrees with no precipitation; please label all hats, gloves, coats, sweatshirts, and shoes. If your child wears boots to school, please pack sneakers and help them change before you leave at drop-off.

Thank you!
