What we will be working on..

Language Arts: We will be learning to recognize and identify the sounds of letters Y, Z, R & U. We will be reading stories related to our themes, such as, Yertle the Turtle, What Pet Should We Get, Planting a Rainbow and How the Crayons Saved the Rainbow.

Math: Our color this month will be green and our shape will be a diamond. We will learn how to recognize, count and recognize written word for the number 8 & 9. We will also introduce skip counting and practice simple addition.

Science: We will be discussing the science behind a rainbow. We will explore how colors blend to make new colors and the different types of weather we experience in the Spring.

At Home

Please read to your child and ask open ended questions. Also, have them practice writing their first and last name.

Pet Week is the week of March 6th. Please send in a picture of your pet or pets.
