

# ★ 3's September News

## Welcome Back To School! ★

We will play, pretend, and sing about all the ways to  
★ be a superstar student in school!

Our Class will reach for the stars as we make new friends, explore our classroom, and get to know our routines.

★ **All About Me Show and Tell Bags** will be coming home soon; help your child find items or pictures that match their favorite things! We can't wait to get to know your kiddos better! ★

Please read with your child every day!

Your child may need extra clothes, in case of messy art or accidents. Please be sure to send in weather appropriate options.

Please be sure we have correct contact information for you and feel free to reach out if you have any questions!
