

Miss Susan & Miss Lisa's Fours

Themes:

Fall, Leaves, Pumpkins, Nocturnal
Animals, Halloween

Important Dates

October 9:
School Closed

October 25:
Picture Day

October 27:
Trunk or Treat 10am-11am

****Library Dates****
October 13th
(No library on the 27th)

We are working on:

Language Arts: We will be working on recognizing and forming the letters L, N, B & P. We will listen to stories based on our themes. (i.e *Goodbye Summer Hello Autumn, Leaf Man, Bats in the Library, Spookley the Square Pumpkin.*)

Math: We are focusing on the numbers one and two. Our shape is square and our color is orange. We will be counting to 31 as we follow the calendar stopping on the tens.

Science: We will study how the leaves turn colors and explore why. We will be learning about nocturnal animals. We will be exploring pumpkins and their life-cycle.

We are working on building confidence and independence. Please allow your child to do as much as they can on their own. A little struggle is okay. We don't want frustration. Try to guide first by talking your child through the steps of the activity/new skill before jumping in to help.

At Home:

Learning can be a fun part of everyday activities! Please work with your child at home to practice name writing and counting everyday objects.

****As the weather gets cooler please send a jacket or hoodie. We go outside almost everyday. If you haven't already, please send an emergency change of clothes****
