SPOTLIGHT

By now your child has mostly adjusted to the classroom. We see them play happily upon entering the room and begin the early steps toward cooperative play (though most are still at the parallel play stage). October brought a lot of excitement to our school starting with a visit from the Bethlehem Mounted Police. Fire Safety Week went off without a hitch as the kids practiced fire drills and admired the fire trucks. Arts and craft time really picked up, with the class creating autumn leaves, handprint bats, spiders, and puffy paint ghosts.
