Election Day

No School

We hope you all had a wonderful Easter and Spring Break. This month, we will be learning about the changing weather (hopefully warmer days and no more snow.) We will explore new life that is all around us, especially pond life and flowers.

Our color this month is **Blue**, and our shape of the month is triangle. We are counting to 10, making sets to equal 10, writing numbers, and sorting objects into groups by color, shape, and size. Our letters this month will be U, D, T, and N, with lots of review of all our letters and sounds.

It's overwhelming that we only have 2 months with your kiddos before summer begins! Yet it is such a blessing to see the amazing things they have accomplished this year. We are very grateful to be part of their preschool journey and look forward to the great things ahead.

Please continue to read every day with your child and let us know if you have any questions.

Many Blessings,

Miss Deb, Miss Becky, and Miss Elizabeth
