We are working on:

Language Arts:

- Recognizing and forming the letters L, N, B & P, and learning their sound.
- Listen to stories based on our themes (i.e Goodbye Summer Hello Autumn, Leaf Man, Bats in the Library, Spookley the Square Pumpkin).

Math:

- Focus on writing and recognizing numbers 1 & 2.
- Our shape is square.
- Counting to 31 as we follow the calendar, stopping on tens.

Science:

- We will observe the changing of the leaves and learn why it occurs.
- We will be learning about nocturnal and diurnal animals.
- We will explore pumpkins and their life cycle.

Art:

- Our color is orange.
- We will make art related to our themes.

We are working on building confidence and independence. Please allow your child to do as much as they can on their own. A little struggle is okay. We don't want frustration. Try to guide first by talking your child through the steps of the activity/new skill before jumping in to help.

At Home:

Learning can be a fun part of everyday activities! Please work with your child at home to practice name writing and counting everyday objects.

As the weather gets cooler, please send a jacket or hoodie. We go outside almost everyday. If you haven't already, please send an emergency change of clothes
