- Identifying the numerical and written form of numbers 6&7.
- Practicing one to one correspondence, basic addition and patterning.
- Learning about Polar animals; differentiating between Arctic and Antarctic animals as well as climate similarities.
- Learn about winter weather and hibernating animals.

At Home

As the new year begins, we will be looking for more independent skills from the children. Please encourage your child to do as much for themselves as possible.

If your child is exhibiting any symptoms of illness please keep them home. We are trying to keep everyone safe during this cold & flu season.
