Classroom News

February was a month filled with love and laughter. We had such a great time celebrating Valentine's Day together!

Thank you to all of you for the very yummy treats. The kiddos loved them!

We are now done with our colors! Your children did an excellent job getting to know them in English & Spanish. Starting this month until the end of the year, we will be learning the basic shapes. The two shapes we are starting with are CIRCLE & SQUARE. Rainbow week is approaching. That week is always a lot of fun! We are also celebrating Read Across America and Dr. Seuss's birthday. Feel free to bring in a book to share!
