March begins with a reading celebration of Dr. Seuss and some of our favorite book characters! Each day, we will explore the joy of reading and using our imaginations!

Celebrate Rainbow Week by wearing different colors and we will have plenty of St. Patrick's Day fun too! We will learn what makes a rainbow, the different kinds of Spring weather, and all about DINOSAURS, because we love them.

We will continue making patterns and building our fine motor skills with cutting, zippering, tracing, and beading. Our letters this month are R, C, G, W, and Z. Our color of the month is **green** and our shape is diamond. ◆

Thank you for sharing your tiny humans with us! We are so lucky!

Many Blessings,
Miss Deb & Miss Stacie
