November 2025

Spotlight

By now your child has mostly adjusted to the classroom. We see them play happily upon entering the room and begin the steps toward cooperative play. October brought a lot of excitement to our school starting with Fire Safety Week which went off without a hitch as the kids practiced fire drills and admired the fire trucks. Next was a visit from the Bethlehem Mounted Police and a super fun Trunk or Treat! Art time really picked up, with the class creating pumpkins, handprint spiders, and friendly ghosts.

Inside Our Class

- For the month of November we are talking about woodland creatures. We are looking for squirrels, chipmunks, deer, and the occasional fox spotted on our schoolgrounds.
- To prepare for Thanksgiving, we are working on "please" and "thank you" at the snack/lunch table.

Our Art

Supplies Needed

- Tissues
- White paper plates (for crafts)
