January 5th School reopens

In December, we will be learning about Christmas, especially Jesus' birthday, and we will be creating special gifts for our families while learning our songs for our Christmas Celebration. We will focus on identifying letters D, J, S, C and counting and recognizing the numbers 1 through 5.

Our color this month is yellow and our shape is the star. We will continue strengthening our fingers and developing our fine motor skills. At home, you can help your child with making patterns, cutting paper, pinching playdough, and reading every day!

Have a blessed Christmas and Holiday Break!
